**DETAILED ACTION**

**And**

**NOTICE OF ALLOWANCE**

1. **Claims 1-11, 27, 29-36** are allowed.
2. **Claims 12-26, 28 and 37-39** have been cancelled.

**Examiners Reasons for Allowance**

3. The following is an examiner's statement of reasons for allowance:

The following limitation in combination with other limitations is allowed over the prior art, *"without the device being connected to the node."* The prior art fails to teach or make obvious the combination of a *"virtual device object"* being *"emulated"* on a *"serial bus"* in combination with that device *not being connected* to the *"serial bus"*. The Examiner notes that the combination of Applicants arguments (*see the 8-13-2004 response*) with the instant amendments has been persuasive and the Examiner withdraws all rejections to independent claims 1, 27 and 33. Dependent claims 2-11, 29-32 and 34-36 are allowed as they depend from an allowed base claim.

**3.1** Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
